

Ice Time Sports Complex
Figure Skater Rules & Regulations
Updated December 2008
2 effective January 1, 2009

1. Above all else, skaters, coaches, and parents are expected to show courtesy and good sportsmanship to other skaters, coaches, and parents.
2. All skaters must sign in, pay, and receive a wristband prior to getting on the ice surface. Specific colors will signify specific sessions.
3. The skater whose program is being played has the right of way. All skaters and coaches are expected to yield to the skater whose program is being played. The second priority goes to the skater taking a private lesson.
4. Coaches are responsible for advising their students of right of way ice etiquette. Skaters experiencing a problem with another skater's ice etiquette should approach the front desk or Manager on Duty for assistance.
5. Program music will be played in the order it is requested. A coach may request that the program of a skater taking a private lesson be placed at the front of the line. Requests by coaches will alternate with cd's already in line (ex. Coach, skater, coach, skater).
6. Programs should not be restarted except during a private lesson. A skater wishing to restart a program should put the cd at the end of the line.
7. Skaters are expected to leave the ice when the Zamboni doors are opened. Program music will be stopped when the Zamboni is ready to enter the ice.
8. When the ice is crowded, coaches are requested to teach from the side.
9. The ice is for practice, not for socialization. Standing in corners is to be particularly avoided. Please leave the ice if you wish to socialize.
10. Persons not wearing skates are prohibited from stepping onto the ice. Exceptions are coaches teaching private lessons. These coaches are to stand along the boards.
11. In appropriate language, name-calling, and other derogatory remarks are prohibited.
12. Skaters or parents may not interrupt a coach who is giving a private lesson to another skater.
13. All clothing, tissues, gloves, crash pads, water bottles, and other belongings should be removed from the ice area when leaving. Trash must be put in the proper receptacles.
14. Skaters and parents are not allowed in the hockey boxes.
15. The staff of Ice Time Sports Complex will enforce these basic rules during all Freestyle Sessions. All coaches are also expected to inform their students of these rules and enforce the rules when on the ice. The management reserves the right to take disciplinary action if deemed necessary against any skater, coach, or parent. Some of the actions that could be taken may include, but are not limited to, verbal warnings, time-outs from the ice, or even suspension from the rink.
